*Because we can set up anywhere, whether it be in your office, in a marquee or a hired venue,  
we are the ideal choice for: Weddings, Christenings, Birthdays, Anniversaries,  
Housewarming, or a party for the sake of having one! Whatever the reason we can help. We  
can supply any or all of a bar set up depending on your requirements.*

*The most common two set ups are detailed in the packages set out below. However, we at Al  
Fresco Catering understand that your celebration is unique to you, so these packages are  
purely for guidance, feel free to contact us to discuss your own requirements.*

### **Packages**

*Cash bars are available so that your guests can purchase drinks. Our drinks voucher scheme  
works alongside cash bars if you wish to give away complimentary drinks. Our cash bars do  
not accept cheques or credit cards.*

#### **Package 1 - The Cash Bar**

*We charge you a booking deposit and then we organise for you:*

*The Licence ## Staff ## Bar Units*

*Serving Equipment ## Glassware ## Drinks*

*Your guests then pay for drinks as they require them, just as if they were in a pub or bar.*

*Pre paid bars are free to your guests. A pre payment is required and any balance is required  
for settlement on the night. To keep tabs with the bar spend, we can print out hourly  
statements.*

#### **Package 2 - The Credit Bar**

*Again we charge you a booking deposit and organise everything as for Package 1. However  
you pay us for the drinks your guests consume. This is done by paying us a fee per head  
before your celebration and the balance afterwards.*

*We usually find that 90% of people go for one of the above packages or a mixture of the two.  
For example: Package 1 but with £200 behind the bar to start with.*

## **Frequently Asked Questions**

*1. I am unsure how to apply for a licence for our venue?*

*You need not worry, Al fresco catering, will apply to obtain the necessary licences.*

*2. How much notice do you need for a licensed bar?*

*To ensure a successful application, we require a minimum of 4 weeks. This is to gather all required information for your event that a court may ask for. Any less than 4 weeks may not guarantee the granting of your licence.*

*3. I have heard that outside bars are expensive to purchase drinks from?*

*We strive to keep our prices extremely competitive, we work closely with a range of suppliers to keep our prices reasonable.*

*4. Our wedding will be in the middle of summer, how will you keep our drinks cool?*

*Al fresco catering will supply all draught products chilled with our chilling equipment, ice will also be available for other drinks.*

*5. How much space is required for an outside bar?*

*The minimum set-up area is 10ft x 10ft (3m x 3m) for a full bar set-up. We also require a 16A socket within 20m and a supply of tap water nearby.*

*6. What drinks do you supply?*

*We only use branded products and can supply almost any drink you can think of, we can supply lists of commonly requested beers, wines, spirits and soft drinks but any particular request can usually be supplied.*

*7. What do we get with a basic set-up?*

*We will apply to the courts for your licence including court fees and you get the following: - a fully stocked bar, ice, glassware and our fully trained staff.*

*We take the licensing law very seriously as it is illegal to sell alcohol to anyone under the age of 18.*

*We will require proof of id for anyone that we suspect is under 18. It is also illegal for over 18's to purchase alcohol for someone under 18 and more information on this will be discussed when booking*
