

Chocolate Fountains

Fountains of Al Fresco provide the best chocolate fountain service around – We always bring more chocolate and dips than your guests could ever eat. We let your guests do all the dipping; they can have as many goes and as many dips as they like. We pride ourselves in being extremely flexible and if you have any special requirements, please do not hesitate to contact us. We will provide an illuminated surround with our chocolate fountain, which is essential for the occasion.
